

Apple Tree

Description

It's a fruit tree. Apple tree is a common tree in Polish orchards. Apple tree blossoms in spring, but apples fall in autumn.

We use apples to make:

- apple cake
- compote
- rice with apples
- jam
- dumplings with apples
- juice

Apple tree is beautiful!

Apples are very important for us. They have lots of vitamins. Most people like apples. Apple tree has brown bark, white flowers and big, green leaves.

Thanks for watching!!!
