PICTURE

CHARACTERISTICS

- The tree is big, measures approximately 10 metres and is situated in the park next to my house. The tree is very old, it's approximately 100 years. It's one of the older trees in my town, Úbeda

HISTORY

- The tree is very important for me, because it's situated just in front of my house, when I get up, I see this tree. The tree is located in a park, in this park I'm playing football with my friends next to the tree
